

2 Bedroom Loft Apartment, Heavens Hill Village, Esentepe

**From
£329,900**

About the property:

This property is located in Heaven's Hill Village, nestled in the picturesque Mountainside next to Rose Village and Infinity Village. The village will consist of 32 1-2 bedroom ground floor, penthouse, and loft-penthouse apartments, four 4-bedroom villas with private pool, garden, barbecue area, and car park, and five 3-bedroom bungalows with private pool, roof terrace, garden, barbecue area, and car park. There will be a communal pool, access to the Cove Beach, and landscaped communal botanical gardens. The property will feature a central cooling and heating system in all rooms, including bathrooms, a general automatic standby generator system, and will be built using high-quality construction materials. Heaven's Hill Village offers stunning sea and mountain views and close proximity to nature.

Selling Views, the estate agents, present this unique "mini city style" community, divided into two parts: the Mountainside, consisting of six completed villages, and the Seaside with one completed village and two upcoming villages (under construction/off plan). While parts of the Seaside are still under construction, the Mountainside is now almost 100% completed with residents enjoying a peaceful and sunny lifestyle very much in touch with nature. Whether you reside in the Seaside or the Mountainside, you will have full access to all facilities and most of the pools in the whole community, whether living in an apartment or villa.
